

Join us in Spark!Lab
for hands on
exploration of
science, invention
and innovation
taking place at the
nanoscale!

2009

March 28 - April 5

*Don't Miss Our Special Guest
Speaker...*

Andrew Maynard, PhD

Chief Science Advisor
Project on Emerging Nanotechnologies
Woodrow Wilson International Center for
Scholars

*"So Nano So What? the
what why where of
nanotechnology"*

**Saturday, April 4th
4:30 PM**

More Information about NanoDays 2009, please contact
Steve Madewell at madewells@si.edu or (202)633-3713
